## **FIND US**

### **SUBWAY**

Take the metro to Bergshamra. It takes approx. 10 minutes from the T-Centralen. When you reach Bergshamra take the ascent Bergshamra S. Once up on the street, aim for the "old road" and follow that road down to the water where you then see the little bridge over to Bockholmen.

### **BY CAR**

From the E4: At the height of Järva krog, take the Bergshamral trail towards E18, turn off on the "old road" and then follow it down to water. When you reach the bridge over to Bockholmen, park the car, feed the p-meter with a couple of kronor (10 SEK / hour or 80 SEK / day) and then walk across the small bridge to Bockholmen.

### **BY BOAT**

Unfortunately, no municipal boats are available to us, but it works fine arriving by own boat. We have a relatively large jetty with about 8 meters depth to accommodate most types of boats. If you are interested in booking a private boat trip to us, please contact our colleagues at More Activities at bokning@moreactivities.se.
